

WPCG Priority Program Wireless/Data Plans

RECRUITMENT CONSULTANTS
INFORMATION TECHNOLOGY • FINANCE • SUPPLY CHAIN

In a continued effort to demonstrate our gratitude and provide WPCG consultants with an exceptional customer experience, we are proud to announce another addition to the *WPCG Priority Program*. WPCG has established a partnership with Bell Mobility to secure uniquely discounted wireless phone plans and hardware for members of the WPCG family.

By partnering with Bell, we can offer our valued consultants access to the largest 4G network in Canada, providing stable, reliable voice and data services wherever they go. Having the largest network translates to less 'dead zones', and fewer call failures than any other mobile phone provider in the country.

As a part of the WPCG Priority Program, we would like to offer our consultants and their families and friends two different plans to choose from, and dozens of handholds including the most highly-sought after smartphones.

WPCG 250 Plan - \$30/month

The **WPCG 250 Plan** includes 250 anytime minutes and the following features:

- Message Centre
- Unlimited Evenings and Weekends from 6:00 PM to 8:00 AM
- Unlimited local calls to Bell Mobility customers
- Call Display, Call Waiting, Conference Calling, Call Forwarding and Detailed Billing
- Long Distance is billed at \$.10 per minute within Canada and \$.20 per minute to the United States

WPCG 450 Plan - \$36/month

The **WPCG 450 Plan** includes 450 anytime minutes, all features of **WPCG 250 Plan**, and also includes:

- Unlimited Incoming
- Unlimited Text Messaging
- 50¢/picture message

Smart Data Plan

For an additional \$30/month, participants can also subscribe to the optional 6GB data plan, providing email, Internet & tethering. Additional data usage costs \$0.05/MB within Canada, and \$6/MB in the United States.

As an additional benefit, participants have the option of upgrading their handholds with any one of the models that Bell offer, including 23 Smartphones. Handholds range in price depending on the model, and the duration of the contract.

For additional details, please don't hesitate to reach out to your WPCG representative or:
